PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors (the "Board") of Catalyst Pharmaceutical Partners, Inc., a Delaware corporation ("we," "us" or the "Company"), for use at the 2011 Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 20, 2011, at 9:00 a.m., local time, at the Hyatt Regency Coral Gables, located at 50 Alhambra Plaza, Coral Gables, Florida 33134. The approximate date on which this statement and the enclosed proxy will be sent to stockholders will be April 11, 2011. The form of proxy indicates a space for you to withhold your vote for any proposal. You are urged to indicate your vote on each matter in the space provided. If signed but no space is marked, it will be voted upon by the persons named at the meeting: (i) for the election of six persons to our Board of Directors to serve until the 2012 annual meeting of stockholders, or until their respective successors are duly elected and qualified or until their earlier death, resignation, or removal; (ii) for the approval of an amendment to our 2006 Stock Incentive Plan; (iii) for the ratification of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011; and (iv) in their discretion, upon such other business as may properly come before the meeting.

Representatives of Grant Thornton LLP, our independent registered public accounting firm, are expected to attend the Annual Meeting.

We will bear the cost of the Board's proxy solicitation. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally and by telephone and e-mail, all without extra compensation.

At the close of business on April 1, 2011 (the "Record Date"), we had outstanding 21,654,680 shares of our common stock, par value \$0.001 per share. Each share of our common stock entitles the holder thereof on the Record Date to one vote on each matter submitted to a vote of stockholders at the Annual Meeting. Only stockholders at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the outstanding shares of our common stock. In the event that there are not sufficient proxies for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies.

Shares represented by proxies that are marked "abstain" or which are marked to deny discretionary authority will only be counted for determining the presence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. In addition, where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), those shares will not be included in the vote totals.

A list of the stockholders entitled to vote at the Annual Meeting will be available at our principal executive office located at 355 Alhambra Circle, Suite 1370, Coral Gables, Florida 33134 for a period of ten (10) days prior to the Annual Meeting for examination by any stockholder. The list will also be available for inspection at the Annual Meeting by any stockholder who is present.

Whether or not you plan to attend the Annual Meeting, please fill in, sign and return your proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

A STOCKHOLDER WHO SUBMITS A PROXY ON THE ACCOMPANYING FORM HAS THE POWER TO REVOKE IT AT ANY TIME PRIOR TO ITS USE BY DELIVERING A LATER-DATED WRITTEN NOTICE TO THE CORPORATE SECRETARY OF THE COMPANY, BY EXECUTING A LATER-DATED PROXY OR BY ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON. UNLESS AUTHORITY IS WITHHELD, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR THE PURPOSES SET FORTH THEREON.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors and persons who own more than 10% of our outstanding common stock to file with the Securities and Exchange Commission reports of changes in their ownership of common stock. Officers, directors, and greater than 10% stockholders are also required to furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations made to us that no other reports were required, during the year ended December 31, 2010, all Section 16(a) filing requirements applicable to our officers, directors, and greater than 10% stockholders were complied with, except that four Form 4s were filed a few days late.

Independent Directors

As required under NASDAQ listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board consults with the Company's counsel to ensure that the Board's determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent NASDAQ listing standards, as in effect from time to time. Consistent with these considerations, the Board affirmatively has determined that all of the Company's directors are independent directors within the meaning of the applicable NASDAQ listing standards, except for Mr. McEnany, the Company's Chairman, President and CEO.

Corporate Governance

Our Board of Directors and management are committed to utilizing good corporate governance practices to ensure we are managed for the long-term benefit of our stockholders. We have in place a variety of policies and practices to promote good corporate governance. A majority of the members of our Board of Directors are independent, in accordance with Nasdaq Capital Market listing standards, and all members of our Audit Committee, our Compensation Committee, and our Nominating and Corporate Governance Committee also meet Nasdaq standards for independence. We have also established:

- written charters for our Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee that address corporate governance practices in accordance with the Sarbanes-Oxley Act, current Nasdaq corporate governance guidelines, and other applicable rules and regulations;
- a Code of Business Conduct and Ethics applicable to our officers, directors, and employees;
- a procedure for receipt and treatment of anonymous and confidential complaints or concerns regarding audit or accounting matters; and
- disclosure control policies and procedures.

The Nominating and Corporate Governance Committee of our Board of Directors is responsible for establishing and reviewing our corporate governance guidelines from time to time and reporting and making recommendations to the Board of Directors concerning corporate governance matters. Among the matters addressed by our corporate governance guidelines are:

- *Director Independence*—Independent directors shall constitute at least a majority of our Board of Directors and all of the Audit, Compensation, and Nominating and Corporate Governance Committees in accordance with the independence standards set forth in the Marketplace Rules for Nasdaq-listed companies.
- *Executive Sessions of Independent Directors*—Our non-employee directors regularly meet in executive sessions without management present.

Copies of our Code of Business Conduct and Ethics can be found on the corporate governance page of our Investor Relations website, located at <http://ir.catalystpharma.com/governance.cfm>.

Board Diversity

In carrying out its function to nominate candidates for election to our Board, the Nominating and Corporate Governance Committee considers the mix of skills, experience, character, commitment and diversity. The Nominating and Corporate Governance Committee construes diversity as meaning a variety of opinions, perspectives and backgrounds, such as gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of our Board at that point in time.

Leadership Structure

Patrick J. McEnany serves as both our Chairman of the Board and CEO. The Board believes that independent oversight of management is an important component of an effective board of directors. The Board and its independent members believe that the most effective Board leadership structure at the present time is for the CEO to serve as Chairman of the Board, a structure that has served us well in the past. The independent members of the Board believe that because the CEO is ultimately responsible for our day-to-day operations and for executing our strategy, and because our performance is an integral part of the deliberations undertaken by the Board, the CEO is the director best qualified to act as our Chairman of the Board. The Board reserves the authority to modify this structure to best address and advance the interests of all stockholders, as and when appropriate.

The Board also believes, for the reasons set forth below, that our existing corporate governance practices achieve independent oversight and management accountability. Our governance practices provide for strong independent leadership, independent discussion among directors and for independent evaluation of, and communication with, our executive officers. These governance practices are reflected in our various committee charters, which are available on our website at www.catalystpharma.com. Some of the relevant processes and other corporate governance practices include:

- At each regularly scheduled Board meeting, all of our independent directors meet in an executive session without Mr. McEnany. In these executive sessions, the independent directors deliberate on matters such as those involving the performance of our executive officers.
- Each of our directors is elected annually by our stockholders.
- All of our directors, except for Mr. McEnany, are independent directors. Each director is an equal participant in decisions made by the full Board. All of the Committees of the Board are comprised of only independent directors.

Lead Independent Director

The Board of Directors of the Company has recently appointed a non-management director to serve in a lead capacity (the “Lead Independent Director”) to perform such duties and responsibilities as the Board of Directors may determine. Charles O’Keeffe serves as the Lead Independent Director. The role of the Lead Independent Director includes:

- in consultation with the Chairman, determining the length and timing of Board meetings, including regular and special meetings;
- determining the agenda and materials to be provided to directors in advance of each meeting of the Board;
- serving as chair of executive sessions of the Board and other meetings of the Board in the absence of the Chairman of the Board;

Table of Contents

- serving as liaison between the Chairman of the Board and other independent directors;
- overseeing the Board's stockholder communication policies and procedures; and
- calling meetings of independent directors.

Board Meetings and Committees

During 2010, our Board of Directors held seven meetings and took one action by unanimous written consent. For 2010, all of our directors attended at least 75% or more of the aggregate number of meetings held by our Board of Directors and the committees on which they served. Five of the members of our Board of Directors attended the 2010 Annual Meeting of Stockholders that was held on May 21, 2010. Directors are encouraged, but not required, to attend the Annual Meeting in person.

Audit Committee

The Audit Committee of the Board of Directors assists the Board in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and reporting practices of the Company, and such other duties as directed by the Board. The Committee's purpose is to oversee the accounting and financial reporting processes of the Company, the audits of the Company's financial statements, the qualifications of the public accounting firm engaged as the Company's independent auditor to prepare or issue an audit report on the financial statements of the Company, and the performance of the Company's internal and independent auditors. The Committee's role includes a particular focus on the qualitative aspects of financial reporting to stockholders, the Company's processes to manage business and financial risk, and compliance with applicable legal, ethical, and regulatory requirements. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent auditor.

The Board of Directors has determined that Milton J. Wallace, the chairman of the Audit Committee, is an "audit committee financial expert" as defined in Regulation S-K.

The Audit Committee held six meetings in 2010. The Audit Committee's charter can be found at <http://ir.catalystpharma.com/governance.cfm>.

Compensation Committee

The role of the Compensation Committee is to discharge the Board's responsibilities related to compensation of the Company's executives, to produce an annual report on executive compensation for inclusion in the Company's proxy statement, and to oversee and advise the Board on the adoption of policies that govern the Company's compensation programs, including stock and benefit plans.

The Compensation Committee held two meetings in 2010. The Compensation Committee's charter can be found at <http://ir.catalystpharma.com/governance.cfm>.

Nominating and Corporate Governance Committee

The role of the Nominating and Corporate Governance Committee is to appoint nominees for election to the Company's Board of Directors, to identify and recommend candidates to fill vacancies between annual stockholder meetings, to review, evaluate and recommend changes to the Company's corporate governance policies, and to review the Company's policies and programs that relate to matters of corporate responsibility, including public issues of significance to the Company and its stockholders.

The Nominating and Corporate Governance Committee did not meet in 2010. The Nominating and Corporate Governance Committee's charter can be found at <http://ir.catalystpharma.com/governance.cfm>.

Risk Oversight

Risk oversight is administered through the Board as a whole. The Board does not believe that risk management issues have an effect on the Company's leadership structure. The Board provides feedback to management at regularly held board meetings. The independent directors meet in executive session at each meeting of the Board of Directors and provide insight to our management on a variety of topics, including risk oversight.

Audit Committee Report

Management has the primary responsibility for our internal control over financial reporting, the financial reporting process and preparation of our financial statements. Grant Thornton LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The Audit Committee's responsibility is to select the independent auditors and monitor and oversee these processes.

The Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors.

In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by PCAOB Rule 3526 (Communications with Audit Committee Concerning Independence), and the Audit Committee discussed with the independent auditors that firm's independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of our financial statements is compatible with maintaining the independent auditors' independence. During such discussions, the independent auditors confirmed that, as of December 31, 2010, they were independent accountants with respect to Catalyst Pharmaceutical Partners, Inc. within the meaning of the Securities Act of 1933 and the requirements of the PCAOB.

Based upon the audit committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2010.

The Audit Committee has also reviewed all non-audit services being provided by the independent auditors and has concluded that the provision of such services has been compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has discussed these matters with representatives of the independent auditors and our management and will monitor our compliance with any new restrictions as they are put in place to continue to ensure that the services provided by our independent accountants are compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

EXECUTIVE COMPENSATION—DISCUSSION AND ANALYSIS

Role of the Compensation Committee

The Compensation Committee of our board of directors establishes and regularly reviews our compensation philosophy and programs, exercises authority with respect to the determination and payment of base and incentive compensation to our executive officers and administers our 2006 Stock Incentive Plan (the “2006 Plan”). Our Compensation Committee consists of four members, each of whom is independent as that term is defined in the Sarbanes-Oxley Act of 2002 and the rules and regulations that have been promulgated thereunder, and in the listing standards of the Nasdaq Capital Market. The Compensation Committee operates under a written charter that was first adopted by our board of directors in July 2006. The charter more fully describes the role, responsibilities, and functioning of the Compensation Committee. A copy of this charter can be viewed on our website at <http://ir.catalystpharma.com/governance.cfm>.

In connection with the completion of our November 2006 initial public offering (“IPO”), Patrick McEnany, our Chairman, President, and Chief Executive Officer, and Jack Weinstein, our Chief Financial Officer, Treasurer and Vice President, Business Development, entered into employment agreements with us (Mr. Weinstein’s employment agreement has since expired), as more particularly described below. Further, during 2006 and 2007 we added several additional executive officers (Mr. Winship, Dr. Miller and Ms. Grande), all of whose compensation is subject to review and approval by the Compensation Committee.

Summary Compensation Table

The following table sets forth information about the compensation earned during 2010, 2009 and 2008 by our Chief Executive Officer and our other two most highly compensated executive officers at the end of the fiscal year ended December 31, 2010. Narrative to Summary Compensation Table

Overview of compensation structure

Our compensation structure for our CEO and CFO, who together with our COO are sometimes referred to herein as our “Named Executive Officers,” consists of three components — a base salary, discretionary bonuses based on performance and equity compensation. Each of these components is reflected in the Summary Compensation Table set forth above and is also discussed in further detail below.

Compensation program objectives and what our compensation program seeks to reward

Our executive compensation program is designed to retain our executive officers and to motivate them to increase stockholder value on both an annual and longer term basis primarily by positioning our business to maximize our product development efforts and over time to turn those efforts into revenues and net income. To that end, compensation packages include significant incentive forms of stock-based compensation to ensure that each executive officer’s interest is aligned with the interests of our stockholders.

Why each element of compensation is paid and how the amount of each element is determined

The following is a brief discussion of each element of our Named Executive Officer compensation. The Compensation Committee intends to pay each of these elements in order to ensure that a desirable overall mix is established between base compensation and incentive compensation, cash and non-cash compensation and annual and long-term compensation. The Compensation Committee also intends to evaluate on a periodic basis the overall competitiveness of our executive compensation packages as compared to packages offered in the marketplace with which we compete for executive talent. Overall, our Compensation Committee believes that our executive compensation packages are currently appropriately balanced and structured to retain and motivate our Named Executive Officers.

Salaries. Mr. McEnany has an employment agreement with us, a copy of which is an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2010. Our other Named Executive Officers (Mr. Weinstein and Dr. Miller) are employees at will. Since 2009, any increases in the salaries of our Named Executive Officers have been made at the discretion of the Compensation Committee. Mr. McEnany, who serves as our Chief Executive Officer, receives no additional compensation for serving on our board of directors.

Cash Incentive Compensation. Cash incentive or bonus compensation is discretionary under our employment agreement with Mr. McEnany. All cash incentive compensation grants are intended to be paid in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended. During 2008 we paid Dr. Miller a cash bonus of \$25,000 pursuant to the offer letter which was extended to him upon being offered employment with us. In 2008, we paid a cash bonus of five percent of base salary to each of our employees, including each of our Named Executive Officers. This bonus for 2008 services was awarded on a discretionary basis by the Compensation Committee based on the Compensation Committee’s assessment of the employees’ performance during 2008. We also paid a bonus of \$15,000 and \$20,000, respectively, to Dr. Miller during 2009 and 2010 for services performed by Dr. Miller in each of these years.

Equity Compensation. Prior to our IPO, we granted stock options to certain of our officers, directors and consultants for their services. These stock options were granted pursuant to written agreements. We have also granted stock options and restricted stock units to our executive officers, employees, directors and consultants under the 2006 Plan, and all future grants are expected to be made under the 2006 Plan. Under the 2006 Plan, unless otherwise determined by the Compensation Committee, equity compensation awards generally vest over a four-year period.

On November 12, 2008, we granted 15,000 stock options to each of our employees, including each of our Named Executive Officers, as an additional bonus for 2008 services. These options were priced at the closing price of our common stock on November 12, 2008 (the date of grant) and vested immediately.

[Table of Contents](#)

On October 20, 2009, we granted stock options to each of our employees, including our Named Executive Officers. Concurrent with such grant, we cancelled certain out-of-the-money stock options owned by certain of our Named Executive Officers. Such options were priced at the closing price of our common stock on October 20, 2009 (the date of grant). One third of such options vested immediately, one third vested on October 20, 2010 and the remaining options will vest on October 20, 2011.

On November 5, 2010, we granted stock options to each of our employees, including each of our Named Executive Officers. These options were priced at the closing price of our common stock on November 5, 2010 (the date of grant). One-third of such options vested immediately, and the remaining options vest in equal parts over a two-year period.

Perquisites. We offer certain employee benefits, including health benefits and a 401(k) plan to each of our employees, including our Named Executive Officers. Commencing in 2008, the 401(k) plan offered a match of employee contributions up to 4% of an employee's gross salary. None of our Named Executive Officers receives any further perquisite benefit.

How each compensation element fits into the overall compensation objectives and affects decisions regarding other elements

In establishing compensation packages for executive officers, numerous factors are considered, including the particular executive's experience, expertise and performance, our company's overall performance and compensation packages available in the marketplace for similar positions. In arriving at amounts for each component of compensation, our Compensation Committee strives to strike an appropriate balance between base compensation and incentive compensation. The Compensation Committee also endeavors to properly allocate between cash and non-cash compensation and between annual and long-term compensation.

Risk Assessment Discussion

Our Compensation Committee has reviewed our pay structure and believes that our salary structure, including our cash incentive compensation and equity incentive compensation, do not encourage our Named Executive Officers to engage in any unnecessary risk-taking.

Employment Agreements and Potential Payments Upon Termination or Change in Control

We have an employment agreement with Patrick J. McEnany, our Chairman, President and CEO, which provides for the payment of a base salary plus bonus compensation based on performance. Mr. McEnany's employment agreement also contains a "change of control" severance arrangement if the employee is not retained in our employment after a change of control. Mr. McEnany's base salary for 2011 is approximately \$368,000 and his employment agreement expires on November 8, 2011. After the expiration of his employment agreement, Mr. McEnany becomes an employee-at-will, and he will still be entitled to payments for termination without cause or in the event of a change in control, as set forth below.

Pursuant to the employment agreement that we have with Mr. McEnany, we may terminate his employment at any time for "cause", in which he would have no right to receive compensation or other benefits for any period after termination. Termination for "cause" may also occur when the executive performs dishonest acts intended to benefit the executive personally, the executive's willful neglect of the executive's duties, or failure to perform such duties because of gross negligence on the part of the executive, violation of any obligation under the executive's employment agreement not remedied by the executive after ten (10) days notice of such violation, or the executive's arrest for, conviction of or plea of nolo contendere to a crime constituting a felony.

In certain circumstances, Mr. McEnany is entitled to severance pay. These circumstances include (1) his voluntary resignation after a change in control or a demotion, or our failure to perform our material obligations under his employment agreement and our failure to remedy such violation within ten (10) days notice of such violation, (2) his termination without cause, (3) his total and permanent disability, or (4) his death.

[Table of Contents](#)

A change in control under our employment agreement with Mr. McEnany includes:

- the sale, transfer, assignment or other disposition (including by merger or consolidation, but excluding any sales by stockholders made as part of an underwritten public offering of the common stock of the company), in one transaction or a series of related transactions, of more than fifty percent (50%) of the voting power represented by the then-outstanding capital stock of the Company to one or more Persons (other than to the executive officer or a “group” (as defined under the Securities Exchange Act of 1934) in which the executive officer is a member);
- the sale of substantially all of the assets of the Company (other than a transfer of financial assets made in the ordinary course of business for the purpose of securitization); or
- the liquidation or dissolution of the Company.

Under any of those circumstances, the executive’s severance package includes:

- the payment of any accrued but unpaid annual bonus at the time of termination;
- the payment of the executive’s base salary for a period of at least twelve (12) months; and
- continuation of the executive’s medical benefits (in case of disability), including to his family (in case of death or disability).

Our employment agreement with Jack Weinstein, our Chief Financial Officer, expired on November 8, 2008. Effective November 12, 2008, we entered into a letter agreement with Mr. Weinstein regarding his continued employment with the Company. Under such letter agreement, if Mr. Weinstein is terminated without “cause” (such term is defined in the same manner as set forth above in the description of Mr. McEnany’s employment agreement), he will receive twelve (12) months of base salary. Mr. Weinstein will also receive twelve (12) months of base salary if he resigns from his employment for “good reason.” “Good reason” is defined as any material alteration by the Company of positions, functions, duties, or responsibilities, or a material decrease in base salary not agreed to by Mr. Weinstein.

The amounts payable to each executive officer with an employment agreement or letter agreement, in the event of termination, death, disability, or retirement, are set forth in the following chart assuming the event occurred on December 31, 2010:

2006 Stock Incentive Plan

In July 2006, we adopted the 2006 Plan. Under the 2006 Plan, we reserved 2,188,828 shares of our common stock for issuance (and we are asking our stockholders in this proxy statement to consider and vote upon a proposed amendment to the 2006 Plan to increase the number of shares available for issuance under the 2006 Plan by an additional 500,000 shares). At the date of this proxy statement, there are 1,658,888 options outstanding. Further, to date under the 2006 Plan we have issued 55,484 restricted shares of our common stock. Finally, as of the date of this proxy statement 344,270 shares remain available for issuance under the 2006 Plan.

The purpose of the 2006 Plan is to continue to advance our interests by allowing us to attract, retain, reward, and motivate individuals eligible under the 2006 Plan to strive for our continued success by giving them additional opportunities to purchase further equity stakes in our company.

Administration. The Compensation Committee of our board of directors administers the 2006 Plan and determines which persons will receive grants of awards and the type of award to be granted to such persons. The Compensation Committee also interprets the provisions of the 2006 Plan and makes all other determinations that it deems necessary or advisable for the administration of the 2006 Plan.

Eligibility. All eligible individuals will be able to participate in the 2006 Plan. Eligible individuals include our directors, officers, employees, independent contractors and consultants, as well as individuals who have accepted an offer of employment with us.

Transferability of awards. Awards are non-transferable other than by will or by the laws of descent and distribution or as otherwise expressly allowed by the Compensation Committee pursuant to a gift to members of an eligible person's immediate family. The gift may be directly or indirectly transferred, by means of a trust, partnership, or otherwise. Stock options and stock appreciation rights may be exercised only by the optionee, any such permitted transferee or a guardian, legal representative or beneficiary.

Change of control. If there is a change in control of Catalyst Pharmaceutical Partners, Inc., any award that is not exercisable and vested may become immediately exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If we are liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation

Amendments, modifications and termination. Our board of directors may, at any time, suspend or terminate the 2006 Plan, but the board may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2006 Plan may be made without consent of our stockholders. In the event that an award is granted to a person residing outside of the United States, the board may, at its discretion, modify the terms of the agreement to comply with the laws of the country of which the eligible individual is a resident. The 2006 Plan will terminate 10 years after its effective date.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

Our certificate of incorporation and bylaws provide for a board of directors elected annually for one-year terms. The Board of Directors has no reason to believe that any of the persons named will be unable to serve if elected. If any nominee is unable to serve as a director, the enclosed proxy will be voted for a substitute nominee selected by the Board of Directors.

Nominees for Director

The nominees for director are as follows:

<u>Name</u>	<u>Age</u>	<u>Director Since</u>
Patrick J. McEnany	63	January 2002
Philip H. Coelho	66	October 2002
Hubert E. Huckel, M.D.	79	January 2002
Charles B. O’Keeffe	71	December 2004
David S. Tierney, M.D.	47	October 2002
Milton J. Wallace	75	October 2002

Biographical information about the nominees for director is contained above in “Our Board of Directors.”

Consideration of Future Nominees

The Nominating and Corporate Governance committee of our Board will consider director candidates recommended by our stockholders. Any stockholder wishing to submit a recommendation with respect to the 2012 Annual Meeting of Stockholders should send a signed letter of recommendation to Catalyst Pharmaceutical Partners, Inc., 355 Alhambra Circle, Suite 1370, Coral Gables, Florida 33134, Attention: Corporate Secretary. To be considered, recommendation letters must be received between January 21, 2012 and February 20, 2012, and must include: (i) all information about the nominee required to be disclosed in solicitations of proxies in an election contest; (ii) the written consent of the nominee to the nomination and such nominee’s willingness to serve if elected; and (iii) the name and address of the stockholder making such recommendation, the class and number of shares of capital stock the stockholder owns, and a representation by the stockholder that such stockholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear, in person or by proxy, to propose such nomination.

Vote Required

The election of directors requires a plurality of the votes cast by the holders of our common stock. A “plurality” means the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the election of directors.

The Board of Directors recommends a vote in favor of those persons nominated for election to the Board of Directors.

PROPOSAL TWO
APPROVAL OF AN AMENDMENT TO OUR 2006 STOCK INCENTIVE PLAN

You are being asked to approve an amendment (the “Amendment”) to our 2006 Stock Incentive Plan (the “2006 Plan”), which is set forth as Annex I to this Proxy Statement. If approved, the amendment will become effective on May 20, 2011, the date of the annual meeting. As of April 1, 2011, there were options to purchase 1,658,888 shares with a weighted average exercise price of \$1.27 per share outstanding under the 2006 Plan and 344,270 shares remained available for future issuance.

Stock-based compensation is a fundamental component of our compensation program. Our equity compensation program is designed to attract and retain key employees, directors and consultants, many of whom view equity incentives as a key component of their compensation. Stock-based compensation encourages and rewards employee performance and helps align employee interests with those of our stockholders. We currently award stock options on an annual basis to our employees and to members of our Board of Directors as part of their overall compensation package for that year. We also from time to time issue awards to our consultants. The Amendment will add additional shares into the 2006 Plan so that we are able to continue to grant stock-based awards in order to continue to motivate existing key employees, consultants and members of our Board of Directors and align their financial interests with those of our stockholders.

Upon recommendation from the Compensation Committee, the Board of Directors approved the Amendment on March 28, 2011. The Board of Directors believes that the Amendment serves a critical role in attracting and retaining the high-caliber employees, consultants and directors that are essential to our success and in motivating these individuals to strive to reach our goals.

By approving the Amendment, stockholders will be approving the addition of 500,000 shares to the 2006 Plan, representing approximately 2.1% of our outstanding common stock as of April 1, 2011 on a fully diluted basis.

The primary features of the Plan which, except for the increase in shares set forth under the Amendment, will remain the same if the stockholders approve this proposal. Such terms are described in “Equity Compensation Plan Information—2006 Stock Incentive Plan” on pages 16 and 17 of this proxy statement.

The Board of Directors recommends that stockholders approve the proposed amendment to our 2006 Stock Incentive Plan.
