PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors (“Board”) of Catalyst Pharmaceutical Partners, Inc., a Delaware corporation, for use at the 2015 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Thursday, May 21, 2015, at 9:00 a.m., local time, at the Hyatt Regency Coral Gables, located at 50 Alhambra Plaza, Coral Gables, Florida 33134. The approximate date on which this statement and the enclosed proxy will be sent to stockholders will be March 31, 2015. The form of proxy indicates a space for you to withhold your vote for any proposal. You are urged to indicate your vote on each matter in the space provided. If signed but no space is marked, it will be voted upon by the persons named at the meeting: (i) for the election of six persons to our Board of Directors to serve until the 2016 annual meeting of stockholders or until their respective successors are duly elected and qualified or until their earlier death, resignation, or removal; (ii) for the approval of an amendment to our Certificate of Incorporation that would increase the number of our authorized shares of common stock from 100,000,000 shares to 150,000,000 shares; (iii) for the approval of an amendment to our Certificate of Incorporation that would change our corporate name from “Catalyst Pharmaceutical Partners, Inc.” to “Catalyst Pharmaceuticals, Inc.”; (iv) for the ratification of Grant Thornton LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015; and (v) in their discretion, upon such other business as may properly come before the meeting.

Representatives of Grant Thornton LLP, our independent registered public accounting firm, are expected to attend the Annual Meeting.

We will bear the cost of the Board’s proxy solicitation. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally and by telephone and e-mail, all without extra compensation.

At the close of business on Monday, March 23, 2015 (the “Record Date”), we had outstanding 81,834,849 shares of our common stock, par value \$0.001 per share. Each share of our common stock entitles the holder thereof on the Record Date to one vote on each matter submitted to a vote of stockholders at the Annual Meeting. Only stockholders at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the outstanding shares of our common stock. In the event that there are not sufficient proxies for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies.

Shares represented by proxies that are marked “abstain” or which are marked to deny discretionary authority will only be counted for determining the presence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. In addition, where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as “broker non-votes”), those shares will not be included in the vote totals.

A list of the stockholders entitled to vote at the Annual Meeting will be available at our principal executive office located at 355 Alhambra Circle, Suite 1500, Coral Gables, Florida 33134 for a period of ten (10) days prior to the Annual Meeting for examination by any stockholder. Whether or not you plan to attend the Annual Meeting, please fill in, sign and return your proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

A STOCKHOLDER WHO SUBMITS A PROXY ON THE ACCOMPANYING FORM HAS THE POWER TO REVOKE IT AT ANY TIME PRIOR TO ITS USE BY DELIVERING A LATER-DATED WRITTEN NOTICE TO OUR CORPORATE SECRETARY, BY EXECUTING A LATER-DATED PROXY OR BY ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON. UNLESS AUTHORITY IS WITHHELD, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR THE PURPOSES SET FORTH THEREON.

We mourn the passing of Hubert E. Huckel, our co-founder and a member of our Board of Directors from 2002 until his death in December 2014. Dr. Huckel's contribution to our company was invaluable and he will be greatly missed. We extend our condolences to his family.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our officers and directors and persons who own more than 10% of our outstanding common stock to file with the Securities and Exchange Commission reports of changes in their ownership of common stock. Officers, directors, and greater than 10% stockholders are also required to furnish us with copies of all forms they file under this regulation. To our knowledge, based solely on a review of the copies of such reports furnished to us and representations made to us that no other reports were required, during the year ended December 31, 2014 all Section 16(a) filings required to be filed by our officers, directors, and greater than 10% stockholders were timely filed.

Independent Directors

As required under applicable NASDAQ listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. The Board of Directors consults with our counsel to ensure that its determinations are consistent with all relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent NASDAQ listing standards, as in effect from time to time. Consistent with these considerations, the Board of Directors has affirmatively determined that all of our directors (other than Mr. McEnany, who serves as our CEO) are "independent directors" within the meaning of the applicable NASDAQ listing standards.

Corporate Governance

Our Board of Directors and management are committed to utilizing good corporate governance practices to ensure we are managed for the long-term benefit of our stockholders. We have in place a variety of policies and practices to promote good corporate governance. A majority of our Board of Directors is independent, in accordance with applicable NASDAQ listing standards, and all members of the Audit Committee, Compensation Committee, and Nominating & Corporate Governance Committee of our Board of Directors also meet applicable NASDAQ listing standards for independence. We have also established:

- written charters for the Audit, Compensation, and Nominating & Corporate Governance Committees that address corporate governance practices in accordance with the Sarbanes-Oxley Act, current NASDAQ corporate governance guidelines, and other applicable rules and regulations;

Table of Contents

- a Code of Business Conduct and Ethics applicable to our officers, directors, and employees;
- a procedure for receipt and treatment of anonymous and confidential complaints or concerns regarding audit or accounting matters; and
- disclosure control policies and procedures.

The Nominating & Corporate Governance Committee is responsible for establishing and reviewing our corporate governance guidelines from time to time and reporting and making recommendations to the Board of Directors concerning corporate governance matters. Among the matters addressed by our corporate governance guidelines are:

- Director Independence—Independent directors shall constitute at least a majority of our Board and of our Board committees in accordance with the independence standards set forth in the applicable NASDAQ listing standards.
- Executive Sessions of Independent Directors—Our independent directors regularly meet in executive sessions without management present.

Copies of our Code of Business Conduct and Ethics can be found on the corporate governance page of the Investor Relations section of our website, which is located at <http://ir.catalystpharma.com/governance.cfm>.

Board Diversity

In carrying out its function to nominate candidates for election to our Board, the Nominating & Corporate Governance Committee considers the mix of skills, experience, character, commitment and diversity. The committee construes diversity as meaning a variety of opinions, perspectives and backgrounds, including gender, race and ethnicity differences, as well as other differentiating characteristics, all in the context of the requirements of our Board at that point in time.

Leadership Structure

Patrick J. McEnany serves as both our Chairman of the Board and CEO. The Board of Directors believes that independent oversight of management is an important component of an effective board of directors. The Board and its independent members believe that the most effective board leadership structure at the present time is for the CEO to serve as both Chairman of the Board and CEO, a structure that has served us well in the past. The independent members of the Board believe that because the CEO is ultimately responsible for our day-to-day operations and for executing our strategy, and because our performance is an integral part of the deliberations undertaken by the Board, the CEO is the director best qualified to act as the Chairman of the Board. The Board reserves the authority to modify this structure to best address and advance the interests of all stockholders, as and when appropriate.

The Board also believes that, for the reasons set forth below, our existing corporate governance practices achieve independent oversight and management accountability. Our governance practices provide for strong independent leadership, independent discussion among directors and for independent evaluation of, and communication with, our officers. These governance practices are reflected in our various committee charters, which are available on our website at www.catalystpharma.com. Some of the relevant processes and other corporate governance practices include:

- At each regularly scheduled Board meeting, all of our independent directors meet in an executive session without Mr. McEnany. In these executive sessions, the independent directors deliberate on matters such as those involving the performance of our officers.
- Each of our directors is elected annually by our stockholders.
- All of our directors, except for Mr. McEnany, are independent directors. Each director is an equal participant in decisions made by the full Board. All of the committees of the Board are comprised of only independent directors.

[Table of Contents](#)

Lead Independent Director

The Board of Directors has appointed a non-management director to serve in a lead capacity (the “Lead Independent Director”) to perform such duties and responsibilities as the Board of Directors may determine. Charles B. O’Keeffe serves as the Lead Independent Director. The role of the Lead Independent Director includes:

- in consultation with the Chairman, determining the length and timing of Board meetings, including regular and special meetings;
- determining the agenda and materials to be provided to directors in advance of each meeting of the Board;
- serving as chair of executive sessions of the Board and other meetings of the Board in the absence of the Chairman of the Board;
- serving as liaison between the Chairman of the Board and the other independent directors;
- overseeing the Board’s stockholder communication policies and procedures; and
- calling meetings of independent directors.

Board Meetings and Attendance at Board and Board Committee Meetings

During 2014, our Board of Directors held eight meetings and took three actions by unanimous written consent. For 2014, all of our directors attended at least 75% or more of the aggregate number of meetings held by our Board of Directors and the Board committees on which they served. All of the members of our Board of Directors attended the 2014 Annual Meeting of Stockholders which was held on May 15, 2014. Directors are encouraged, but not required, to attend the Annual Meeting in person.

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and reporting practices of our company, and such other duties as directed by the Board. The committee’s purpose is to oversee our accounting and financial reporting processes, the audits of our financial statements, the qualifications of the independent registered public accounting firm engaged as our independent auditor to prepare or issue an audit report on our financial statements, and the performance of our internal and independent auditors. The committee’s role includes a particular focus on the qualitative aspects of financial reporting to stockholders, our processes to manage business and financial risk, and compliance with applicable legal, ethical, and regulatory requirements. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent auditor.

The Board of Directors has determined that Donald A. Denkhaus, the current chair of the Audit Committee, and Philip H. Coelho, a former chair of and a current member of the Audit Committee, are each an “audit committee financial expert” as defined in Regulation S-K under the Exchange Act.

The Audit Committee held five meetings in 2014. The Audit Committee’s charter can be found at: <http://ir.catalystpharma.com/governance.cfm>.

Compensation Committee

The role of the Compensation Committee is to discharge the Board’s responsibilities related to compensation of our executive officers, to produce an annual report on executive compensation for inclusion in our Proxy Statement, and to oversee and advise the Board on the adoption of policies that govern our compensation programs, including our stock incentive plans and our benefit plans.

The Compensation Committee held five meetings in 2014 and took four actions by unanimous written consent. The Compensation Committee's charter can be found at: <http://ir.catalystpharma.com/governance.cfm>.

Nominating & Corporate Governance Committee

The role of the Nominating & Corporate Governance Committee is to appoint nominees for election to our Board of Directors, to identify and recommend candidates to fill vacancies between annual stockholder meetings, to review, evaluate and recommend changes to our corporate governance policies, and to review our policies and programs that relate to matters of corporate responsibility, including public issues of significance to our company and our stockholders.

The Nominating & Corporate Governance Committee held one meeting in 2014. The Nominating & Corporate Governance Committee's charter can be found at: <http://ir.catalystpharma.com/governance.cfm>.

Risk Oversight

Risk oversight is administered through the Board as a whole. The Board does not believe that risk management issues have an effect on our leadership structure. The Board provides feedback to management at regularly held Board meetings. The independent directors meet in executive session at each regular meeting of the Board of Directors and provide insight to our management on a variety of topics, including risk oversight.

AUDIT COMMITTEE REPORT

Management has the primary responsibility for our internal control over financial reporting, the financial reporting process and preparation of our financial statements. Grant Thornton LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB) and to issue a report thereon. The Audit Committee's responsibility is to select the independent auditors and to monitor and oversee these processes.

The Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors. In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by PCAOB Ethics and Independence Rule 3526, Communications with Audit Committees Concerning Independence, and the Audit Committee discussed with the independent auditors that firm's independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of our financial statements is compatible with maintaining the independent auditors' independence. During such discussions, the independent auditors confirmed that, as of December 31, 2014, they were independent accountants with respect to our company within the meaning of applicable federal securities laws and the requirements of the PCAOB.

Based upon the Audit Committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the reports and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board that our audited financial statements for fiscal 2014 be included in our Annual Report on Form 10-K for the year ended December 31, 2014.

[Table of Contents](#)

The Audit Committee has also reviewed all non-audit services being provided by the independent auditors and has concluded that the provision of such services has been compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has discussed these matters with representatives of the independent auditors and our management and will monitor our compliance with any new restrictions as they are put in place to continue to ensure that the services provided by our independent accountants are compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

EXECUTIVE COMPENSATION—DISCUSSION AND ANALYSIS

Role of the Compensation Committee

The Compensation Committee establishes and regularly reviews our compensation philosophy and programs, exercises authority with respect to the determination and payment of base and incentive compensation to our officers and administers our 2014 Stock Incentive Plan (the “2014 Plan”) and our 2006 Stock Incentive Plan (the “2006 Plan” and, together with the 2014 Plan, the “Plans”). Our Compensation Committee consists of three members, each of whom is independent as that term is defined in the Sarbanes-Oxley Act of 2002 and the rules and regulations that have been promulgated thereunder and under the Exchange Act, and in the applicable NASDAQ listing standards. The Compensation Committee operates under a written charter which describes the role, responsibilities, and functioning of the Compensation Committee. Narrative to Summary Compensation Table

Executive Officers

We believe that our “executive officers” (as that term is defined in the rules and regulations under the Exchange Act) for 2014 were our President and CEO, Patrick J. McEnany, our Chief Operating Officer and Chief Scientific Officer, Steven R. Miller, and our Vice President, Treasurer and Chief Financial Officer, Alicia Grande. Effective, January 1, 2015, David D. Muth became our Chief Commercial Officer. Mr. Muth will be an “executive officer” for 2015. When we refer to our “executive officers” in this Proxy Statement, we refer to Mr. McEnany, Dr. Miller and Ms. Grande for 2014 and Mr. McEnany, Dr. Miller, Ms. Grande and Mr. Muth for 2015.

Overview of compensation structure

The compensation structure for our executive officers consists of three components — a base salary, discretionary bonuses based on performance, and equity compensation. Each of these components paid in 2014 is reflected in the Summary Compensation Table set forth above and is also discussed in further detail below.

Compensation program objectives and what our compensation program seeks to reward

Our executive compensation program is designed to retain our executive officers and to motivate them to increase stockholder value on both an annual and longer term basis primarily by positioning our business to maximize our product development efforts and over time to turn those efforts into revenues and net income. To that end, compensation packages typically include significant incentive forms of stock-based compensation to ensure that each executive officer’s interest is aligned with the interests of our stockholders.

Why each element of compensation is paid and how the amount of each element is determined

The following is a brief discussion of each element of our executive officer compensation. The Compensation Committee intends to pay each of these elements in order to ensure that a desirable overall mix is established between base compensation and incentive compensation, cash and non-cash compensation and annual and long-term compensation. The Compensation Committee also intends to evaluate on a periodic basis the overall competitiveness of our executive compensation packages as compared to packages offered in the marketplace with which we compete for executive talent. Overall, our Compensation Committee believes that our executive compensation packages are currently appropriately balanced and structured to retain and motivate our executive officers.

Salaries. Mr. McEnany has an employment agreement with us, a copy of which is an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2014. Our other executive officers are employees at will. Since 2011, any increases in the salaries of our executive officers have been made at the discretion of the Compensation Committee. Mr. McEnany, who serves as our Chief Executive Officer, receives no additional compensation for serving on our Board of Directors.

For 2015, we will pay our executive officers the following salaries: (i) Patrick J. McEnany – \$453,000; (ii) Steven R. Miller – \$350,000; (iii) David D. Muth – \$330,000; and (iv) Alicia Grande – \$288,000.

Cash Incentive Compensation. Cash incentive or bonus compensation is discretionary under our employment agreement with Mr. McEnany. All cash incentive compensation grants are intended to be paid in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended.

For 2013, we paid a year-end cash bonus of five percent (5%) of base salary to each of our employees, including each of our executive officers. This bonus for 2013 services was awarded on a discretionary basis by the compensation committee based on the committee’s assessment of the employees’ performance during 2013.

[Table of Contents](#)

In 2014, we paid a year-end cash bonus to each of our employees, including our executive officers. This bonus for 2014 services was awarded on a discretionary basis by the Compensation Committee based on the committee's assessment of each employee's performance during 2014.

For 2015, the Compensation Committee intends to develop a target bonus plan for cash bonus compensation that will include both individual and corporate targets. Under this plan, Mr. McEnany will have the opportunity to earn up to 50% of his salary in cash bonus compensation and the company's other executive officers will have the opportunity to earn up to 30% of their salary in cash bonus compensation. The determination as to the satisfaction of any bonus targets established will be discretionary with the Compensation Committee.

Equity Compensation. We have historically made annual grants of equity compensation (stock options and/or restricted stock units) to our officers, directors and consultants under our 2006 Plan and 2014 Plan. However, no equity grants were made in 2013, other than grants to new employees hired during such period. Under the 2014 Plan, unless otherwise determined by the Compensation Committee, equity compensation awards vest over a four-year period.

Perquisites. We offer health benefits to each of our employees, including our executive officers. Such benefits are equal to the benefits available to all employees. We also provide a car allowance to our Chief Commercial Officer. No other perquisite benefits are available to our executive officers.

Employment Agreements and Potential Payments upon Termination or Change in Control

We have an employment agreement with Patrick J. McEnany, our Chairman, President and Chief Executive Officer, which provides for the payment of a base salary plus bonus compensation based on performance. Mr. McEnany's employment agreement also contains a "change of control" severance arrangement if the employee is not retained in our employment after a change of control. The employment agreement for Mr. McEnany expires on November 8, 2016. After the expiration of his employment agreement, Mr. McEnany becomes an employee-at-will, and he will still be entitled to payments for termination without cause or in the event of a change in control, as set forth below.

Pursuant to the employment agreement that we have with Mr. McEnany, we may terminate his employment at any time for "cause", in which he would have no right to receive compensation or other benefits for any period after termination. Termination for "cause" may also occur when the executive performs dishonest acts intended to benefit the executive personally, the executive's willful neglect of the executive's duties, or failure to perform such duties because of gross negligence on the part of the executive, violation of any obligation under the executive's employment agreement not remedied by the executive after ten (10) days' notice of such violation, or the executive's arrest for, conviction of or plea of nolo contendere to a crime constituting a felony.

In certain circumstances, Mr. McEnany is entitled to severance pay. These circumstances include (1) his voluntary resignation after a change in control or a demotion, or our failure to perform our material obligations under his employment agreement and our failure to remedy such violation within ten (10) days' notice of such violation, (2) his termination without cause, (3) his total and permanent disability, or (4) his death.

A change in control under our employment agreement with Mr. McEnany includes:

- the sale, transfer, assignment or other disposition (including by merger or consolidation, but excluding any sales by stockholders made as part of an underwritten public offering of the common stock of the company), in one transaction or a series of related transactions, of more than fifty percent (50%) of the voting power represented by the then-outstanding capital stock of the company to one or more Persons (other than to the executive officer or a "group" (as defined under the Securities Exchange Act of 1934) in which the executive officer is a member);

[Table of Contents](#)

- the sale of substantially all of the assets of the company (other than a transfer of financial assets made in the ordinary course of business for the purpose of securitization); or
- the liquidation or dissolution of the company.

Under any of those circumstances, the executive's severance package includes: (i) the payment of any accrued but unpaid annual bonus at the time of termination; (ii) the payment of the executive's base salary for a period of at least twelve (12) months; and (iii) continuation of the executive's medical benefits (in case of disability), including to his family (in case of death or disability).

Effective December 16, 2011, we entered into a letter agreement with Ms. Grande regarding her continued employment with us. Under such letter agreement, if Ms. Grande is terminated without "cause" (such term is defined in the same manner as set forth above in the description of Mr. McEnany's employment agreement), she will receive twelve (12) months of base salary. Ms. Grande will also receive twelve (12) months of base salary if she resigns from her employment for "good reason." "Good reason" is defined as any material alteration by us of positions, functions, duties, or responsibilities, or a material decrease in base salary not agreed to by Ms. Grande.

Dr. Miller and Mr. Muth also have letter agreements with us providing for payment of one year's salary on a termination without cause or upon a change of control in which they are not retained by us or the party that acquires us.

The amounts payable to each executive officer with an employment agreement or letter agreement, in the event of termination, death, disability, or retirement, are set forth in the following chart assuming the event occurred on December 31, 2014:

<u>Name</u>	<u>Payment Due Upon Termination either by company without Cause or Officer for Good Reason</u>	<u>Payment Due Upon the Death or Permanent Disability</u>	<u>Payment Due Upon a Termination by company with Cause or Resignation or Retirement</u>	<u>Payment Due upon a Change of Control</u>

The Compensation Committee also interprets the provisions of the 2014 Plan and makes all other determinations that it deems necessary or advisable for the administration of the 2014 Plan.

Table of Contents

Eligibility. All eligible individuals will be able to participate in the 2014 Plan. Eligible individuals include our directors, officers, employees, independent contractors and consultants, as well as individuals who have accepted an offer of employment with us.

Form of Awards. Awards under the 2014 Plan may be granted in any one or all of the following forms: (i) Incentive Stock Options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the “Code”), (ii) Non-Qualified Stock Options (unless otherwise noted herein, “Options” refers to both Incentive Stock Options and Non-Qualified Stock Options), (iii) Stock Appreciation Rights, which may be awarded either in tandem with Options or on a stand-alone basis, (iv) shares of Common Stock that are restricted (“Restricted Shares”), (v) the right to receive shares of the Company’s common stock at the end of a specified period (RSUs), (vi) the right to receive a fixed number of shares of common stock, or the cash equivalent, which is contingent on the achievement of certain performance goals (Performance Shares), or (vii) the right to receive a designated dollar value, or shares of common stock of the equivalent value, which is contingent on the achievement of certain performance goals (“Performance Units”).

Form of Awards – Stock Options. Stock options may be granted under the 2014 Plan for the purchase of shares of our common stock. The Compensation Committee may designate Options as either Incentive Stock Options or Non-Qualified Stock Options. The term of each Option granted will be determined by the Compensation Committee. However, no Incentive Stock Option will be exercisable more than ten years after the date it is granted, or in the case of an Incentive Stock Option granted to an employee owning more than 10% of the total combined voting power of all classes of stock of the Company (a “10% Stockholder”), more than five years after the date it is granted.

The purchase price per share under each Incentive Stock Option will be specified by the Compensation Committee, but in no event may it be less than 100% of the market price per share of Common Stock on the date the Incentive Stock Option is granted. In the case of an Incentive Stock Option granted to a 10% Stockholder, the purchase price per share must not be less than 110% of the market price of the Common Stock on the date of grant.

Stock options may be exercised in whole or in part. Payment for such exercise must be made in cash or through the delivery to us of shares of common stock previously owned by the option holder. The Compensation Committee, in its sole and absolute discretion, may allow other forms of payment, including cashless exercises of such securities.

Form of Awards – Stock Appreciation Rights. Stock Appreciation Rights may be awarded by the Compensation Committee in such amounts and on such terms and conditions as the Compensation Committee shall determine, in its sole and absolute discretion. The terms and conditions of any Stock Appreciation Right shall be substantially identical to the terms and conditions of such Stock Appreciation Right should the grant of such Stock Appreciation Right had been the grant of an Option.

Upon exercise of a Stock Appreciation Right, the owner of such Stock Appreciation Right shall be entitled to receive payment in cash, in shares of Common Stock, or a combination thereof, as determined by the Compensation Committee in its sole and absolute discretion. The amount of such payment shall be determined by multiplying the excess, if any, of the fair market value of a share of Common Stock on the date of exercise over the fair market value of the common stock on the grant date, by the number of shares of Common Stock with respect to which the Stock Appreciation Rights are being exercised.

Form of Awards – Restricted Stock. Shares of Restricted Stock may be granted, in such amounts and on such terms and conditions as the Compensation Committee may determine, in its sole and absolute discretion. The Compensation Committee shall impose such restrictions on any Restricted Stock granted under the 2014 Plan as it may deem advisable.

Table of Contents

Except as provided by the Compensation Committee in its sole and absolute discretion, Restricted Stock granted under the 2014 Plan will vest over a four year period after the grant date in equal annual increments of 25%. Shares of Restricted Stock may also be granted subject to performance goals, and such shares will be released from restrictions only after the attainment of such performance goals has been certified by the Compensation Committee.

Unless otherwise provided in the award agreement with respect to such grants, until the expiration of all applicable restrictions, (i) the Restricted Stock is treated as outstanding common stock in the Company, (ii) the participant holding shares of Restricted Stock may exercise full voting rights with respect to such shares, and (iii) the participant holding shares of Restricted Stock is entitled to all dividends and other distributions paid with respect to such shares while they are so held.

Form of Awards – RSUs. RSUs may be granted, in such amounts and on such terms and conditions as the Compensation Committee may determine, in its sole and absolute discretion. The Compensation Committee shall impose such restrictions on any RSUs granted under the 2014 Plan as it may deem advisable.

Unless otherwise provided by the Compensation Committee in the award agreement, upon the expiration of all applicable restrictions, shares of common stock will be paid within 60 days following the date the restrictions lapse. Participant's holding RSUs will not have any rights of a stockholder until the underlying share of common stock are delivered.

Form of Awards – Performance Shares and Performance Units. Performance Shares and Performance Units may be granted, in such amounts and on such terms and conditions as the Compensation Committee may determine, in its sole and absolute discretion. All grants of Performance Shares and Performance Units shall satisfy the requirements set forth in the 2014 Plan. The criteria under which Performance Shares and Performance Units may be granted are set forth in the 2014 Plan.

As soon as practicable after the end of a performance period (as set forth by the Compensation Committee), the Compensation Committee shall determine to what extent the Performance Shares or Performance Units have been earned on the basis of the related performance.

Transferability of Awards. Awards are non-transferable other than by will or by the laws of descent and distribution or as otherwise expressly allowed by the Compensation Committee pursuant to a gift to members of an eligible person's immediate family. The gift may be directly or indirectly transferred, by means of a trust, partnership, or otherwise. Stock options and SARs may be exercised only by the optionee, any such permitted transferee or a guardian, legal representative or beneficiary.

Change of control. If there is a change in control of our company, any award that is not exercisable and vested may immediately become exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If our company is liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation.

Amendments, Modifications and Termination. Our Board of Directors may, at any time, amend, suspend or terminate the 2014 Plan, but the Board may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2014 Plan may be made without consent of our stockholders. In the event that an award is granted to a person residing outside of the United States, the Board may, at its discretion, modify the terms of the agreement to comply with the laws of the country of which the eligible individual is a resident. The 2014 Plan will terminate 10 years after its effective date.

2006 Stock Incentive Plan

In July 2006, we adopted the 2006 Plan. Following final approval of the 2014 Plan by our stockholders in May 2014, no further awards will be made under the 2006 Plan. As of December 31, 2014, stock options to purchase 1,900,000 shares of our common stock were outstanding under the 2006 Plan, at exercise prices ranging from \$0.47 per share to \$1.09 per share.

Administration. The Compensation Committee administers the 2006 Plan and makes all determinations that it deems necessary or advisable for the administration of the 2006 Plan.

Transferability of awards. Awards are non-transferable other than by will or by the laws of descent and distribution or as otherwise expressly allowed by the Compensation Committee pursuant to a gift to members of an eligible person's immediate family. The gift may be directly or indirectly transferred, by means of a trust, partnership, or otherwise. Stock options and stock appreciation rights may be exercised only by the optionee, any such permitted transferee or a guardian, legal representative or beneficiary.

Change of control. If there is a change in control of our company, any award that is not exercisable and vested may become immediately exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If we are liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation

Amendments, modifications and termination. Our Board of Directors may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2006 Plan may be made without consent of our stockholders. In the event that an award is granted to a person residing outside of the United States, the Board may, at its discretion, modify the terms of the agreement to comply with the laws of the country of which the eligible individual is a resident. The 2006 Plan will terminate 10 years after its effective date, but options outstanding under the 2006 Plan when it terminates that have not yet expired will remain outstanding pursuant to the terms of such options.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since 2012, we have had no transactions or proposed transactions in which we were or are to be participants and in which any related person had or will have a direct or indirect material interest.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

Our certificate of incorporation and bylaws provide for a board of directors elected annually for one-year terms. The Board of Directors has no reason to believe that any of the persons named will be unable to serve if elected. If any nominee is unable to serve as a director, the enclosed proxy will be voted for a substitute nominee selected by the Board of Directors.

Nominees for Director

The nominees for director are as follows:

<u>Name</u>	<u>Age</u>	<u>Director Since</u>
Patrick J. McEnany	67	January 2002
Philip H. Coelho	71	October 2002
Charles B. O’Keeffe	75	December 2004
David S. Tierney, M.D.	51	October 2002
Richard Daly	53	February 2015
Donald A. Denkhaus	69	February 2015

Biographical information about each of our candidates for director is contained above in “Our Board of Directors.”

Consideration of Future Nominees

The Nominating & Corporate Governance Committee will consider director candidates recommended by our stockholders. Any stockholder wishing to submit a recommendation with respect to the 2016 Annual Meeting of Stockholders should send a signed letter of recommendation to us at 355 Alhambra Circle, Suite 1500, Coral Gables, Florida 33134, Attention: Corporate Secretary. To be considered, recommendation letters must be received between January 22, 2016 and February 21, 2016, and must include: (i) all information about the nominee required to be disclosed in solicitations of proxies in an election contest; (ii) the written consent of the nominee to the nomination and such nominee’s willingness to serve if elected; and (iii) the name and address of the stockholder making such recommendation, the class and number of shares of capital stock the stockholder owns, and a representation by the stockholder that such stockholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear, in person or by proxy, to propose such nomination.

Vote Required

The election of directors requires a plurality of the votes cast by the holders of our common stock. A “plurality” means the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the election of directors.

The Board of Directors recommends a vote in favor of the six persons listed above who have been nominated for election to the Board of Directors.

**OVERVIEW OF PROPOSALS TO AMEND OUR EXISTING
CERTIFICATE OF INCORPORATION (PROPOSAL NOS. 2 AND 3)**

Proposals Nos. 2 and 3 request approval of amendments to our existing Certificate of Incorporation (Existing Charter) to (1) increase the number of authorized shares of common stock to 150,000,000 shares (Proposal No. 2) and (2) change our corporate name to “Catalyst Pharmaceuticals, Inc.” (Proposal No. 3). We believe that both of these proposed amendments are in the best interests of the company and our shareholders and therefore request that stockholders approve Proposal Nos. 2 and 3.

[Table of Contents](#)

Neither Proposal No. 2 nor Proposal No. 3 is conditioned on the approval of the other. If one or both of the proposals is approved by stockholders, we intend to file a corresponding Amendment No. 2 to Certificate of Incorporation reflecting the approved amendment(s) with the Delaware Secretary of State, and such Amendment(s) will be effective on the date such amendment is filed with the Delaware Secretary of State.

The descriptions in this Proxy Statement of the proposed amendments to the Existing Charter contemplated by Proposal Nos. 2 and 3 are qualified in their entirety by reference to, and should be read in conjunction with, the full text of the Form of Amendment No. 2 to Certificate of Incorporation attached to this Proxy Statement as Annex "A", which assumes that Proposal Nos. 2 and 3 are approved.

PROPOSAL TWO TO AMEND THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF SHARES OF AUTHORIZED COMMON STOCK TO 150,000,000 SHARES

General

On February 19, 2015, our Board of Directors approved, declared it advisable and in our best interest and directed that there be submitted to our stockholders for approval, the prospective amendment to Article IV of our Certificate of Incorporation to increase the authorized common stock from one hundred million (100,000,000) shares, par value \$0.001 per share, to one hundred and fifty million (150,000,000) shares, par value \$0.001 per share.

If Proposal Two is approved, the first sentence of Article IV of the Existing Charter would be amended and restated to read in its entirety:

The total number of shares of capital stock which the Corporation shall have the authority to issue is 155,000,000, of which (i) 150,000,000 shares shall be Common Stock, par value \$0.001 per share (the "Common Stock") and (ii) 5,000,000 shares shall be Preferred Stock, par value \$0.001 per share (the "Preferred Stock").

Reasons for the Amendment

Currently, our company is authorized to issue 100,000,000 shares of common stock. Of the 100,000,000 shares of common stock authorized, as of the Record Date, there were 81,834,849 shares of common stock issued and outstanding, up to 3,170,000 shares of common stock reserved for issuance under our equity incentive plans and other option agreements, and up to 3,433,750 shares of common stock reserved for issuance upon the exercise of outstanding warrants. Consequently, we have approximately 11.8 million shares of authorized but unissued common stock available for general corporate purposes.

As a general matter, the Board of Directors does not believe the currently available number of unissued shares of common stock is an adequate number of shares to assure that there will be sufficient shares available for issuance in connection with possible future acquisitions, equity and equity-based financings, possible future awards under employee benefit plans, stock dividends, stock splits, and other corporate purposes. Therefore, the Board of Directors approved the increase in authorized shares of common stock as a means of providing us with the flexibility to act with respect to the issuance of common stock or securities exercisable for, or convertible into, common stock in circumstances which they believe will advance our interests and the interests of our stockholders without the delay of seeking an amendment to the Certificate of Incorporation at that time.

The Board of Directors has considered, and will continue to consider, various financing options, including the issuance of common stock from time to time to raise additional capital necessary to support future growth of our company. As a result of the proposed Amendment, the Board of Directors will have more flexibility to pursue opportunities to engage in possible future capital market transactions involving common stock or securities convertible into common stock, including, without limitation, public offerings or private placements of such common stock.

We currently have no plans, arrangements or understandings to issue any of the shares of common stock that would become newly available if this proposal is approved.

The Board of Directors recommends that the stockholders approve the above-described proposal to amend the Certificate of Incorporation to increase the number of authorized shares of common stock from 100,000,000 shares to 150,000,000 shares.

**PROPOSAL THREE
TO AMEND THE CERTIFICATE OF INCORPORATION
TO CHANGE OUR CORPORATE NAME TO CATALYST PHARMACEUTICALS, INC.**

General

On February 19, 2015, our Board of Directors approved, declared it advisable and in our company's best interest and directed that there be submitted to our shareholders for approval, the prospective amendment to Article I of our Certificate of Incorporation to change our corporate name to Catalyst Pharmaceuticals, Inc. (the "Name Change Amendment").

Reasons for the Name Change Amendment

The Board of Directors believes that our corporate name, which was adopted when we were a private company, should be more constant with the corporate names of other pharmaceutical companies. We also believe that the use of the term "Partners" in our corporate name is no longer appropriate and may lead to misunderstandings about our business. As a result, we have determined to change our corporate name from "Catalyst Pharmaceutical Partners, Inc." to "Catalyst Pharmaceuticals, Inc."

The Board of Directors recommends that the stockholders approve the above-described proposal to amend the Certificate of Incorporation to change our corporate name to "Catalyst Pharmaceuticals, Inc."

**PROPOSAL FOUR

Grant Thornton has served as our independent registered public accounting firm since 2006. Grant Thornton provided services in connection with the audit of our financial statements for the year ended December 31, 2014. Representatives of Grant Thornton are expected to be present at the Annual Meeting and will be given an opportunity to make a statement if so desired and to respond to appropriate questions.
