PROXY STATEMENT

The enclosed proxy is solicited by the Board of Directors (the "Board") of Catalyst Pharmaceutical Partners, Inc., a Delaware corporation, for use at the 2009 Annual Meeting of Stockholders (the "Annual Meeting") to be held on June 9, 2009, at 10:00 a.m., local time, at the Hyatt Regency Coral Gables, located at 50 Alhambra Plaza, Coral Gables, Florida 33134. The approximate date on which this statement and the enclosed proxy will be sent to stockholders will be April 30, 2009. The form of proxy indicates a space for you to withhold your vote for any proposal. You are urged to indicate your vote on each matter in the space provided. If signed but no space is marked, it will be voted upon by the persons named at the meeting: (i) for the election of six persons to our Board of Directors to serve until the 2010 annual meeting of stockholders, or until their respective successors are duly elected and qualified or until their earlier death, resignation, or removal; and (ii) in their discretion, upon such other business as may properly come before the meeting.

Representatives of Grant Thornton LLP, our independent registered public accounting firm, are expected to attend the Annual Meeting.

We will bear the cost of the Board's proxy solicitation. In addition to solicitation by mail, our directors, officers and employees may solicit proxies personally and by telephone and e-mail, all without extra compensation.

At the close of business on April 17, 2009 (the "Record Date"), we had outstanding 14,165,385 shares of our common stock, par value \$0.001 per share. Each share of our common stock entitles the holder thereof on the Record Date to one vote on each matter submitted to a vote of stockholders at the Annual Meeting. Only stockholders at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. The quorum necessary to conduct business at the Annual Meeting consists of a majority of the outstanding shares of our common stock. In the event that there are not sufficient proxies for approval of any of the matters to be voted upon at the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies.

Shares represented by proxies that are marked "abstain" or which are marked to deny discretionary authority will only be counted for determining the presence of a quorum. Votes withheld in connection with the election of one or more of the nominees for director will not be counted as votes cast for such individuals. In addition, where brokers are prohibited from exercising discretionary authority for beneficial owners who have not provided voting instructions (commonly referred to as "broker non-votes"), those shares will not be included in the vote totals.

A list of the stockholders entitled to vote at the Annual Meeting will be available at our principal executive office located at 355 Alhambra Circle, Suite 1370, Coral Gables, Florida 33134 for a period of ten (10) days prior to the Annual Meeting for examination by any stockholder. The list will also be available for inspection at the Annual Meeting by any stockholder who is present.

Whether or not you plan to attend the Annual Meeting, please fill in, sign and return your proxy card to the transfer agent in the enclosed envelope, which requires no postage if mailed in the United States.

A STOCKHOLDER WHO SUBMITS A PROXY ON THE ACCOMPANYING FORM HAS THE POWER TO REVOKE IT AT ANY TIME PRIOR TO ITS USE BY DELIVERING A LATER-DATED WRITTEN NOTICE TO THE CORPORATE SECRETARY OF THE COMPANY, BY EXECUTING A LATER-DATED PROXY OR BY ATTENDING THE ANNUAL MEETING AND VOTING IN PERSON. UNLESS AUTHORITY IS WITHHELD, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR THE PURPOSES SET FORTH THEREON.

Audit Committee Report

Management has the primary responsibility for our internal control over financial reporting, the financial reporting process and preparation of our financial statements. Grant Thornton LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”) and to issue a report thereon. The Audit Committee’s responsibility is to select the independent auditors and monitor and oversee these processes.

The Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that our financial statements were prepared in accordance with accounting principles generally accepted in the United States. The Audit Committee reviewed and discussed the audited financial statements with management and the independent auditors.

In fulfilling its responsibilities, the Audit Committee discussed with the independent auditors the matters that are required to be discussed by Statement of Auditing Standards No. 114, The Auditor’s Communication with those Charged with Governance, as amended. In addition, the Audit Committee received from the independent auditors the written disclosures and letter required by applicable requirements of the PCAOB, and the Audit Committee discussed with the independent auditors that firm’s independence. In connection with this discussion, the Audit Committee also considered whether the provision of services by the independent auditors not related to the audit of our financial statements is compatible with maintaining the

[Table of Contents](#)

independent auditors' independence. During such discussions, the independent auditors confirmed that, as of December 31, 2008, they were independent auditors with respect to Catalyst Pharmaceutical Partners, Inc. within the meaning of the Securities Act of 1933 and the requirements of the PCAOB.

Based upon the audit committee's discussions with management and the independent auditors and the Audit Committee's review of the representations of management and the report and letter of the independent auditors provided to the Audit Committee, the Audit Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2008.

The Audit Committee has also reviewed all non-audit services being provided by the independent auditors and has concluded that the provision of such services has been compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee has discussed these matters with representatives of the independent auditors and our management and will monitor our compliance with any new restrictions as they are put in place to continue to ensure that the services provided by our independent auditors are compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

EXECUTIVE COMPENSATION—DISCUSSION AND ANALYSIS

Role of the Compensation Committee

The Compensation Committee of our board of directors establishes and regularly reviews our compensation philosophy and programs, exercises authority with respect to the determination and payment of base and incentive compensation to our executive officers and administers our 2006 Stock Incentive Plan (the “2006 Plan”). Our Compensation Committee consists of three members, each of whom is independent as that term is defined in the Sarbanes-Oxley Act of 2002 and the rules and regulations that have been promulgated thereunder, and in the listing standards of the Nasdaq Global Market. The Compensation Committee operates under a written charter that was first adopted by our board of directors in July 2006. The charter more fully describes the role, responsibilities and functioning of the Compensation Committee. A copy of this charter can be viewed on our website at <http://ir.catalystpharma.com/governance.cfm>.

In connection with the completion of our November 2006 initial public offering (“IPO”), Patrick McEnany, our Chairman, President, and Chief Executive Officer, and Jack Weinstein, our Vice President, Treasurer and Chief Financial Officer, entered into employment agreements with us (Mr. Weinstein’s employment agreement has since expired), as more particularly described below. Further, during 2006 and 2007 we added several additional executive officers (Mr. Winship, Dr. Miller and Ms. Grande), all of whose compensation is subject to review and approval by the Compensation Committee.

Overview of compensation structure

Our compensation structure for our CEO and CFO, (who together with two of our other executive officers are sometimes referred to herein as our “Named Executive Officers,” consists of three components—a base salary, discretionary bonuses based on performance and equity compensation. Each of these components is reflected in the Summary Compensation Table set forth below and is also discussed in further detail below.

Compensation program objectives and what our compensation program seeks to reward

Our executive compensation program is designed to retain our executive officers and to motivate them to increase stockholder value on both an annual and longer term basis primarily by positioning our business to maximize our product development efforts and over time to turn those efforts into revenues and net income. To that end, compensation packages include significant incentive forms of stock-based compensation to ensure that each executive officer’s interest is aligned with the interests of our stockholders.

Why each element of compensation is paid and how the amount of each element is determined

The following is a brief discussion of each element of our Named Executive Officer compensation. The Compensation Committee intends to pay each of these elements in order to ensure that a desirable overall mix is established between base compensation and incentive compensation, cash and non-cash compensation and annual and long-term compensation. The Compensation Committee also intends to evaluate on a periodic basis the overall competitiveness of our executive compensation packages as compared to packages offered in the marketplace in which we compete for executive talent. Overall, our Compensation Committee believes that our executive compensation packages are currently appropriately balanced and structured to retain and motivate our Named Executive Officers.

Salaries. The cash salaries paid to two of our Named Executive Officers (Messrs. McEnany and Weinstein) were established at the time of our IPO. Mr. McEnany has an employment agreement with us, a copy of which is an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2008. Our other Named Executive Officers (Messrs. Weinstein and Winship, and Dr. Miller) are employees at will. Any increases in salaries, subsequent to 2008, to our Named Executive Officers will be made at the discretion of the Compensation Committee. Mr. McEnany, who serves as our Chief Executive Officer, receives no additional compensation for serving on our board of directors.

[Table of Contents](#)

Cash Incentive Compensation. Cash incentive or bonus compensation is discretionary under our employment agreement with Mr. McEnany. All cash incentive compensation grants are intended to be paid in accordance with Section 162(m) of the Internal Revenue Code of 1986, as amended. During 2006, we paid a bonus in the amount of \$140,575 to Mr. Weinstein upon the successful completion of our IPO, pursuant to his then consulting agreement with us. For services during 2007, a cash bonus of \$9,450 was paid to Ms. Grande in 2008 pursuant to the offer letter which was extended to her upon being offered employment with us. No cash bonuses were paid to our other employees for 2007 services. During 2008 we paid Dr. Miller a cash bonus of \$25,000 pursuant to the offer letter which was extended to him upon being offered employment with us. In December 2008, we paid a cash bonus of five percent of base salary to each of our employees, including each of our Named Executive Officers. This bonus for 2008 services was awarded on a discretionary basis by the Compensation Committee based on the Compensation Committee's assessment of our employees' performance during 2008.

Equity Compensation. Prior to our IPO, we granted stock options to certain of our officers, directors and consultants for their services. These stock options were granted pursuant to written agreements. We have also granted stock options and restricted stock units to our executive officers, directors and consultants under the 2006 Plan, and all future grants are expected to be made under the 2006 Plan. Under the 2006 Plan, unless otherwise determined by the Compensation Committee, equity compensation awards vest over a four-year period.

Each of our employees, including our Named Executive Officers, received an equity bonus in 2008 in restricted share units equal to 3% of their 2007 base salary, based on the closing price of our common stock as traded on the Nasdaq Global Market as of the close of the market on November 6, 2007 (the date of grant). These awards vested over an eight-month period. Additionally, we granted 10,000 stock options to Ms. Grande in 2007. The exercise price of these options was the closing price of our common stock on the date of grant and these options will vest over a three-year period. Further, on November 12, 2008, we granted 15,000 stock options to each of our employees, including each of our Named Executive Officers, as an additional bonus for 2008 services. These options were priced at the closing price of our common stock on November 12, 2008 (the date of grant) and vested immediately.

Perquisites. We offer health and other insurance benefits to each of our Named Executive Officers. Such benefits are identical to those received by all of our employees. None of our Named Executive Officers receives any further perquisite benefit.

How each compensation element fits into the overall compensation objectives and affects decisions regarding other elements

In establishing compensation packages for executive officers, numerous factors are considered, including the particular executive's experience, expertise and performance, our company's overall performance and compensation packages available in the marketplace for similar positions. In arriving at amounts for each component of compensation, our Compensation Committee strives to strike an appropriate balance between base compensation and incentive compensation. The Compensation Committee also endeavors to properly allocate between cash and non-cash compensation and between annual and long-term compensation.

Risk Assessment Discussion

Our Compensation Committee has reviewed our pay structure and believes that our salary structure, including our cash incentive compensation and equity incentive compensation, do not encourage our Named Executive Officers to engage in any unnecessary risk-taking.

Employment Agreements and Potential Payments Upon Termination or Change in Control

We have an employment agreement with Patrick J. McEnany, our Chairman and Chief Executive Officer, which provides for the payment of a base salary plus bonus compensation based on performance. Mr. McEnany's employment agreement also contains a "change of control" severance arrangement if the employee is not retained in our employment after a change of control. The employment agreement for Mr. McEnany calls for annual salary of \$315,000 per year and is for a three-year period commencing on November 8, 2006. After the expiration of his employment agreement, Mr. McEnany becomes an employee-at-will, and he will still be entitled to payments for termination without cause or in the event of a change in control, as set forth below.

Pursuant to the employment agreement that we have with Mr. McEnany, we may terminate his employment at any time for "cause", in which he would have no right to receive compensation or other benefits for any period after termination. Termination for "cause" may also occur when the executive performs dishonest acts intended to benefit the executive personally, the executive's willful neglect of the executive's duties, or failure to perform such duties because of gross negligence on the part of the executive, violation of any obligation under the

Table of Contents

executive's employment agreement not remedied by the executive after ten (10) days notice of such violation, or the executive's arrest for, conviction of or plea of nolo contendere to a crime constituting a felony.

In certain circumstances, Mr. McEnany is entitled to severance pay. These circumstances include (1) his voluntary resignation after a change in control or a demotion, or our failure to perform our material obligations under his employment agreement and our failure to remedy such violation within ten (10) days notice of such violation, (2) his termination without cause, (3) his total and permanent disability, or (4) his death.

A change in control under our employment agreement with Mr. McEnany includes:

- the sale, transfer, assignment or other disposition (including by merger or consolidation, but excluding any sales by stockholders made as part of an underwritten public offering of the common stock of the company), in one transaction or a series of related transactions, of more than fifty percent (50%) of the voting power represented by the then-outstanding capital stock of the Company to one or more Persons (other than to the executive officer or a "group" (as defined under the Securities Exchange Act of 1934) in which the executive officer is a member);
- the sale of substantially all of the assets of the Company (other than a transfer of financial assets made in the ordinary course of business for the purpose of securitization); or
- the liquidation or dissolution of the Company

Under any of those circumstances, the executive's severance package includes:

- the payment of any accrued but unpaid annual bonus at the time of termination;
- the payment of the executive's base salary for a period of at least twelve (12) months; and
- continuation of the executive's medical benefits (in case of disability), including to his family (in case of death or disability).

Our employment agreement with Jack Weinstein, our Chief Financial Officer, expired on November 8, 2008. On December 23, 2008 (effective November 12, 2008), we entered into a letter agreement with Mr. Weinstein regarding his continued employment with the Company. Under such letter agreement, if Mr. Weinstein is terminated without "cause" (such term is defined in the same manner as set forth above in the description of Mr. McEnany's employment agreement), he will receive twelve (12) months of base salary. Mr. Weinstein will also receive twelve (12) months of base salary if he resigns from his employment for "good reason." "Good reason" is defined as any material alteration by the Company of positions, functions, duties, or responsibilities, or a material decrease in base salary not agreed to by Mr. Weinstein.

The amounts payable to each executive officer with an agreement, in the event of termination, death, disability, or retirement, are set forth in the following chart assuming the event occurred on December 31, 2008:

<u>Name</u>	<u>Payment Due Upon Termination either by Company without Cause or Officer for Good Reason (1)</u>	<u>Payment Due Upon the Death or Permanent Disability of Officer (1)</u>	<u>Payment Due Upon a Termination by Company with Cause or Resignation or Retirement by Officer (1)</u>	<u>Payment Due upon a Change of Control</u>
Patrick J. McEnany	\$ 648,900	\$ 374,751	—	\$ 648,900
Jack Weinstein	\$ 206,000	—	—	\$ 206,000
M. Douglas Winship	—	—	—	—
Steven R. Miller	—	—	—	—

(1) Under our employment agreement with Mr. McEnany and our letter agreement with Mr. Weinstein, these amounts would have been payable to Messrs. McEnany and Weinstein had their employment agreements been terminated on December 31, 2008.

2006 Stock Incentive Plan

In July 2006, we adopted the 2006 Plan. We have reserved 2,188,828 shares for issuance under the 2006 Plan. To date, options to purchase 419,888 shares of our common stock and 54,489 restricted shares of our common stock have been granted under the 2006 Plan. The purpose of the 2006 Plan is to continue to advance our interests by allowing us to attract, retain, reward, and motivate individuals eligible under the 2006 Plan to strive for our continued success by giving them additional opportunities to purchase further equity stakes in our company.

Administration. The Compensation Committee of our board of directors administers the 2006 Plan and determines which persons will receive grants of awards and the type of award to be granted to such persons. The Compensation Committee also interprets the provisions of the 2006 Plan and makes all other determinations that it deems necessary or advisable for the administration of the 2006 Plan.

Eligibility. All eligible individuals will be able to participate in the 2006 Plan. Eligible individuals include our directors, officers, employees, scientific advisors, independent contractors and consultants, as well as individuals who have accepted an offer of employment with us.

Transferability of awards. Awards are non-transferable other than by will or by the laws of descent and distribution or as otherwise expressly allowed by the Compensation Committee pursuant to a gift to members of an eligible person's immediate family. The gift may be directly or indirectly transferred, by means of a trust, partnership, or otherwise. Stock options and stock appreciation rights may be exercised only by the optionee, any such permitted transferee or a guardian, legal representative or beneficiary.

Change of control. If there is a change in control of Catalyst Pharmaceutical Partners, Inc., any award that is not exercisable and vested may become immediately exercisable and vested in the sole and absolute discretion of the Compensation Committee. Vested awards will be deemed earned and payable in full. The Compensation Committee may also terminate the awards, entitling participants to a cash payment. If we are liquidated or dissolved, awards may also be converted into the right to receive liquidation proceeds. In the event that the Compensation Committee does not terminate or convert an award upon a change of control, then the award will be assumed, or substantially equivalent awards will be substituted, by the acquiring or succeeding corporation.

Amendments, modifications and termination. Our board of directors may, at any time, suspend or terminate the 2006 Plan, but the board may not impair the rights of holders of outstanding awards without the holder's consent. No amendment to the 2006 Plan may be made without consent of our stockholders. In the event that an award is granted to a person residing outside of the United States, the board may, at its discretion, modify the terms of the agreement to comply with the laws of the country of which the eligible individual is a resident. The 2006 Plan will terminate 10 years after its effective date.

2010 Annual Meeting of Stockholders should send a signed letter of recommendation to Catalyst Pharmaceutical Partners, Inc., 355 Alhambra Circle, Suite 1370, Coral Gables, Florida 33134, Attention: Corporate Secretary. To be considered, recommendation letters must be received between February 12, 2010 and March 14, 2010, and must include: (i) all information about the nominee required to be disclosed in solicitations of proxies in an election contest; (ii) the written consent of the nominee to the nomination and such nominee's willingness to serve if elected; and (iii) the name and address of the stockholder making such recommendation, the class and number of shares of capital stock the stockholder owns, and a representation by the stockholder that such stockholder is a holder of record of stock of the corporation entitled to vote at such meeting and intends to appear, in person or by proxy, to propose such nomination.

Vote Required

The election of directors requires a plurality of the votes cast by the holders of our common stock. A "plurality" means the individuals who receive the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the election of directors.

The Board of Directors recommends a vote in favor of those persons nominated for election to the Board of Directors.

OTHER MATTERS

The Board is not aware of any other business that may come before the meeting. However, if additional matters properly come before the meeting, proxies will be voted at the discretion of proxy holders.

CONTACTING THE BOARD OF DIRECTORS

Stockholders may communicate with the board of directors by directing their communications in a hard copy (i.e. non-electronic) written form to the attention of one or more members of the Board of Directors, or to the Board of Directors collectively, at our principal executive office located at 355 Alhambra Circle, Suite 1370, Coral Gables, Florida 33134, Attention: Corporate Secretary. A stockholder communication must include a statement that the author of such communication is a beneficial or record owner of shares of our common stock. Our corporate secretary will review all communications meeting the requirements discussed above and will remove any communications relating to (i) the purchase or sale of our products or services; (ii) communications from suppliers or vendors relating to our obligations to such supplier or vendor; (iii) communications from pending or threatened opposing parties in legal or administrative proceedings regarding matters not related to securities law matters or fiduciary duty matters, and (iv) any other communications that the corporate secretary deems, in his reasonable discretion, to be unrelated to our business. The corporate secretary will compile all communications not removed in accordance with the procedure described above and will distribute such qualifying communications to the intended recipient(s). A copy of any qualifying communications that relate to our accounting and auditing practices will also be automatically sent directly to the Chairman of the Audit Committee, whether or not it was directed to such person.
